## Chapter 1 by Yelena

I'm a girl, a girl who doesn't say much. A girl that likes to be alone, but stills like to adventure the world. Many people say I'm weird, because why would you like to adventure the world all by yourself? Why do you like being alone? Don't you like the love people can give? I always say that people ask too many questions. You will have to find out my story first before you will have the answers too those questions. Maybe I will tell you one day.
